## The Power to Surprise™

Kia is the newest and most exciting force of change in the automotive world and we are ready to change the way you feel and think about driving. More than just a promise, we are committed to making driving a true pleasure for customers across the globe. With youthful styling and the latest in advanced technologies, Kia cars are turning heads the world over with the power to surprise. From the Picanto to the Mohave, Kia offers a full lineup of cars, SUVs and MPVs that are not only practical but downright exhilarating to drive. Keep your eyes on Kia because the best has yet to come.

### About Kia Motors Corporation

Kia Motors Corporation ([www.kia.com](http://www.kia.com)) -- a maker of quality vehicles for the young-at-heart -- was founded in 1944 and is Korea's oldest manufacturer of motor vehicles. As part of the Hyundai-Kia Automotive Group, Kia aims to become one of the world's premier automotive brands. Nearly 1.5 million vehicles a year are produced in 13 manufacturing and assembly operations in eight countries which are then sold and serviced through a network of distributors and dealers covering 172 countries. Kia today has over 40,000 employees worldwide and annual revenues of almost US\$15 billion. It is the major sponsor of the Australian Tennis Open and an official automotive partner of FIFA -- the governing body of the FIFA World Cup. Kia Motors Corporation's brand slogan -- "The Power to Surprise" -- represents the company's global commitment to surpassing customer expectations through continuous automotive innovation.

2010  
Kia Model Range

## Appealing from every angle

Take a look at the Kia range, where durability and innovation combine to minimize depreciation and maximize style and performance. Today, tomorrow and beyond, you'll always remember the value of a Kia.

# Change your perspective on life.

Look in the rear view mirror. What do you see? Leave the past behind you and drive into the future with Kia. Our cars are built for busy city lives... and stylish nights on the town. Don't be surprised by the smart technology and the high-level specification. These are honest cars that are as dependable and practical as they are desirable and different. Choose your car of the future.

## Add some colour to life

Life is filled with colour, but everyone deserves to have more of the things that make them feel good. If you're looking for something fresh and vibrant for a first car, or to give your household some fun and flexibility, there's one car that will turn up the colour in your life and put everything else in the shade. Max the brightness, max the contrast and slip on your sunglasses because your life is about to become brilliant. Share the colours of life with Picanto.

## Some pleasures are just totally unexpected

Put Rio in your life and you'll be pleasantly surprised. Once you slip inside and experience Rio, you'll know you've made the right choice. Discover a smartly styled car that makes absolutely no compromises. You get award-winning high quality construction and comprehensive safety equipment for complete peace of mind. Plus there's a long list of standard comfort and convenience features that leave Kia's competitors green with envy.

## Step into the good life

How you look on the outside speaks volumes about how good you feel inside. New Cerato has the style and dynamism to put your mood in the fast lane. You'll find it's not just a vehicle to drive, but a vehicle that will inspire a driving passion. Kia engineering ensures Cerato stands out among the very best in terms of performance, reliability and durability, as a leader that others can only follow. Life is for living, so exercise your right to the good life.

## A sedan that appeals to the senses

Imagine youthful excitement combined with grown-up values and you have Optima – a recipe for complete satisfaction in a sedan. It is truly a sensible solution, designed around practicality, safety and security, but Optima will also appeal to your senses. Good design shines through to create a vehicle that will inspire passion through its stylish and sporty feel, leaving you assured that one of life's more difficult decisions was the right one.

## Express your free spirit and soul

Soul is a new car for a cool generation, giving you the freedom to express your personality and to connect with your urban lifestyle. The future is freedom. And freedom is in your Soul. Look deep into your Soul... and there you'll find it. Whatever your age or lifestyle you can have the freedom to choose and be different. Soul will let you express your personality. Set yourself apart from the hum drum and make your own statement.

## Appeal that's ahead by a country mile

Every day is different. Where do you need to go? You can plan for the best of times with Kia, because there's a car to suit your lifestyle. Going off road, packing in the kids or taking on a heavy load? A car with attitude or climb at altitude? Whatever your choice you need the reliability, practicality and desirability that gives you complete reassurance. Satisfaction in every mile.

## Helping you meet the challenge

Why on earth choose a Sportage? Maybe because Sportage's four-wheel drive can take you to the ends of the earth. Possibly, it's the pleasure of its civilized ride and handling. Perhaps it's Sportage's award-winning design or the uncompromising safety of six airbags and Electronic Stability control Program. A lot of maybes weigh in your purchasing decision but one thing is certain: Sportage is the most fun you've ever had.

## The height of great taste

Introducing the all-new Sorento. An SUV built for urban living but created by designers who have drawn on their deep-seated understanding of off-road technology. The result is a car that doesn't compromise on capability but meets your needs for comfort, style and performance. If you're a believer in family life; if you have a successful career that deserves recognition; and if you want to make the most of every spare minute of your leisure time, then you are sure to appreciate what the all-new Sorento has to offer.

## At the peak of rural and urban performance

Be sure about one thing. Mohave can tame the most extreme elements of nature. This new SUV has been developed and tested on the most challenging terrain to provide a driving experience that takes life off-road. While born and bred in the Mohave Desert, this capable vehicle also harnesses the comforts you expect of urban driving, with modern amenities, cutting-edge technology and an elevated driving position – putting you at the peak of performance.

## You can have it all

Kia is proud to present the Carens. It rides like an MPV, but feels like an SUV. Why limit yourself if you don't have to? The Carens combines the comfort and versatility of a multi-purpose vehicle and the sporty feeling of a rugged SUV into one exciting machine. Enjoy the best of both worlds, and experience the latest sensation in automobile crossover innovation.

## Designed to impress

We take a great idea and make it better by simplifying and improving reliability while maximizing aesthetic appeal without driving up the cost. You can rely on Carnival to make your daily drive not only in style but with maximum comfort, safety and economy. Compared with the competition, Carnival is roomier and more versatile. And for your complete peace of mind, the Carnival comes with an array of active and passive safety technologies that are second to none. Whether for business or a family outing, the Carnival is an elegant all-in-one tool that makes your life a whole lot easier.

## A highly polished work horse

The K-Series from Kia is going to change the way you look at trucks. With greater utility and a level of comfort you would expect to find in only a passenger car, the K-Series trucks not only make getting the job done easier, they let you do it in comfort. The bumper is highly protective, the cab exterior is aerodynamic, the loading area is voluminous, the seats are adjustable and supportive, and ease of operation comes as standard. The K-Series trucks have been designed from inception around the needs of you, the driver. So, why not enjoy your work?
